Whatever the facts are in its history, Valentine's Day has become a day to openly express love and affection in a pragmatic way. Therefore, let us remember this Valentine's Day, What the Wise St. Paul said, "Love is patient, love is kind and is not arrogant".
And remember, "Freedom is a fragile thing and is never more than one generation away from extinction. It is not ours to inheritance; it must be fought for and defend constantly by each generation, for it comes only once to a people. Those who have known freedom and then lost it have never known it again."

For God, Country and Florissant Valley Memorial Post 444 Family.

Edd Chappalle, Commander.
