POST NEWS
AUGUST 2021

Our member meeting was held on August 2nd.

At this meeting the general membership considered a proposal from the current buyer who had asked for another 30-day extension in order to get financing. The motion was made and the vote was passed to cease negotiations with the buyer and remove the Post from the market.

There were several ideas discussed to reinvigorate the Post with restarting Fish Fry's and Meat Shoots. Also discussed was hosting or merging with a nearby Post that has no meeting location as well as regenerating interest for the Scouts to come out and utilize the grounds. These ideas will be discussed in greater detail at future meetings.

We need all our membership to come out and participate in all meetings by voicing your opinions on all matters and events concerning Post 444. Motions put forth on the floor for consideration will pass/or fail based on majority vote. Our current quorum requirement is fifteen (15) members present in order to conduct official post business. We still have the 50/50, attendance and Queen of Hearts drawings at the meetings.
