AMERICAN LEGION

Florissant Valley Memorial Post 444
107090 Old Jamestown Road
Florissant, Mo 63034
314.741.7786

It has been an honor to serve as your Commander for the last two years.

The Post 444 family has become an extension of my family and I will continue to serve the Post 444 family in any way I can.

As Commander I have done everything I can in the best interest of the Post and Post family. However, sadly enough there are certain members who seek to impose a personal agenda on the Post and caused harm to the overall mission of the Legion and have not allowed the new ideas, new members and new ways doing things to come in because they are entirely incompetent or are scared of change or present excuses and reasoning that hurts all of us.

I have done my best to combat this problem and will continue to combat this issue and will do what it takes to make the mission the Legion a valuable thing within this Post.

It is my honest hope that the Post 444 family will refocus itself on mission of the Legion and these certain individuals will stop working in the background and allow new things to happen.

For God, Country, and for the MISSION of the American Legion.
