"My hope is that all nations will heed our call, and eliminate the terrorist parasites who threaten their countries and our own… Our… goal is to prevent regimes that sponsor terror from threatening America or our friends and allies with weapons of mass destruction… But we know their true nature. North Korea is a regime arming with missiles and weapons of mass destruction, while starving its citizens.

Iran aggressively pursues these weapons and exports terror, while an unelected few repress the Iranian people's hope for freedom.

States like these, and their terrorist allies, constitute an axis of evil, arming to threaten the peace of the world."

The Axis of Evil. George W. Bush 2002.

For God and Country and The Florissant Valley Memorial Post 444.
