"Government"

"It is easy to think the State has a lot of different objects-military, political, economic, and what not. But in a way things are much simpler than that.

The State exists simply to promote and to protect the ordinary happiness of human beings in life.

A husband and wife chatting over a fire, a couple of friends having a game of darts in a pub, a man reading a book in his own room or digging in his own garden-that is what the State is there for.

And unless they are helping to increase and prolong and protect such moments, all the laws, parliaments, armies, courts, police, economics, etc., are simply a waste of time”

C.S. Lewis,(1898-1963) scholar and teacher Oxford University

Please remember our solders, sailors, marines, airmen/women and first responders throughout our country and the world.

For God and Country and The Florissant Valley Memorial Post 444.

Edd Chappelle, Commander.
